

PROJECT PITCH

Owner/s:
Nuburooj Khattak

Project Name: HR Manager

Phase and Cohort:
Phase 3 - 121123

One sentence app description:

This app will help HR managers hire and fire employees to and from franchises as well as change who's working at which location.

Timeline:

Wednesday: Class and after
Thursday: Class and after
Friday: hopefully not before presenting..
Monday:
Tuesday:

Domain Model:

Franchises —< S.T.M >----- Employees

User Stories:

E.g. User will be able to:

- See all Locations and workers
- Hire new Employees
- Fire existing employees
- Update what location employees work at
- Select location and get list of employees that work at that location

Stretch Goals:

Implement wages for employees and hourly rates for locations.
